**TO ALL INTERESTED AGENCIES, GROUPS AND PERSONS:**

The purpose of this notice is to satisfy two separate but related procedural requirements for activities to be undertaken by the County of Fayette, Pennsylvania by the Redevelopment Authority of the County of Fayette, Pennsylvania (RACF).

**Request for Release of Funds**

On or about **February 13, 2018** the County of Fayette will authorize RACF to submit a request to the Department of Community and Economic Development (DCED) for the release of Community Development Block Grant (CDBG) Competitive Funds under Title I of the Housing and Community Development Act of 1974, as amended, to undertake the following project:

**(2016)2017-ER-EA-COMP-01      Water System Improvements Project – Pleasant Valley-Rydle Road  
FY2015-ER-EA-01              Area, Bullskin Township - Fayette County, Pennsylvania:**

This activity will extend a waterline in the Pleasant Valley - Rydle Road Area of Bullskin Township, Fayette County, Pennsylvania. The new waterline, which will be owned and serviced by the Pleasant Valley Water Authority, will serve residents that currently must rely on failing wells and springs that provide unreliable and contaminated service. Since even treated water in the homes is not suitable for consumption, residents must also purchase their drinking water or haul it in from other more reliable sources. Additionally, the lack of reliable water service leaves the residents susceptible to fire threats, as there are no hydrants along the project area. This project will install approximately 6,665 LF of waterline which will serve 18 households in order to provide a clean and reliable water source. The primary beneficiaries will be the 18 households located in the Pleasant Valley-Rydle Road Area.

2016 CDBG Competitive Program - \$750,000  
FY2015 CDBG Program – \$82,214

### **Finding of No Significant Impact**

RACF has determined that this project will have no significant impact on the human environment. Therefore, an Environmental Impact Statement (EIS) under the National Environmental Policy Act (NEPA) of 1969 is not required. Additional project information is contained in the Environmental Review Record (ERR) on file at the Redevelopment Authority of the County of Fayette, Pennsylvania located at 86 West Main Street, Uniontown, PA where the ERR may be examined or copied weekdays from 8:30am to 4:00pm. This location is accessible to persons with disabilities. Every effort will be made to provide the needed materials to all residents, including LEP persons, as needed.

### **Public Comments**

Any individual, group, or agency may submit written comments on the ERR to the RACF (86 West Main Street, Uniontown, PA 15401). All comments received by the end of the day on **February 12, 2018** will be considered by the Fayette County prior to authorizing submission of a request for release of funds.
