

**PUBLIC NOTICE  
FAYETTE COUNTY, PENNSYLVANIA  
LOCAL SHARE ACCOUNT**

The Redevelopment Authority of the County of Fayette, Pennsylvania is now accepting application proposals from local municipalities and other interested agencies and organizations for Fayette County Local Share Account (LSA) funding. This fund was established under the Pennsylvania Race Horse Development and Gaming Act (Act 2004-71) for the purpose of distributing 2% of gross terminal revenues of the Lady Luck Casino, at Nemaquin Woodlands Resort in Wharton Township, to support community and economic development projects and initiatives. The Fayette County Commissioners have designated the Fayette County Redevelopment Authority as the local administrator of Fayette County's LSA Program.

Attached is a copy of the local Program Guidelines and Application, which provides additional details on eligible applicants, uses, and evaluation criteria. Applicants may also access these forms on the Authority's website at [www.racfpa.org](http://www.racfpa.org). As indicated in the Guidelines, all applications must be submitted to the Redevelopment Authority (86 West Main Street, Uniontown, PA 15401) by **4:00 p.m., Friday, August 6, 2021**.

Redevelopment Authority staff is available to meet and discuss individual LSA applications. Applicants with questions regarding the application process or potential projects may contact Andrew French, Redevelopment Authority Executive Director at 724-437-1547 ext. 210 or at [afrench@racfpa.org](mailto:afrench@racfpa.org). They may also contact Brenda Girod, Redevelopment Authority Community Development Technician at 724-437-1547 ext. 208 or at [bgirod@racfpa.org](mailto:bgirod@racfpa.org).

**LOCAL SHARE ACCOUNT**  
**PROGRAM APPLICATION GUIDELINES**

**DEADLINE FOR APPLICATIONS: FRIDAY, AUGUST 6, 2021 BY 4:00 P.M.**

## **Statement of Purpose**

---

The Fayette County Local Share Account (LSA) Program has been established to support local community and economic development projects and initiatives throughout Fayette County. The LSA Program is funded through gaming revenues generated pursuant to the Pennsylvania Race Horse Development and Gaming Act (Act 2004-71). The Redevelopment Authority of the County of Fayette (RACF) has been designated as the agency to apply for and administer the LSA Program on behalf of the Fayette County Board of Commissioners. LSA funds are distributed annually through grants from the Pennsylvania Department of Community and Economic Development (DCED).

## **Application Process**

---

A combined single application will be prepared annually by RACF on behalf of the County. Prior to submission, project proposals will be requested and evaluated by RACF staff, taking into consideration comments and input received from members of the LSA Steering Committee. Traditionally, members of the Steering Committee have included the County Commissioners and representatives from the County Office of Planning, Zoning, and Community Development; Redevelopment Authorities operating in the County; Fay-Penn Economic Development Council; the Fayette County Industrial Development Authority; the Private Industry Council of Westmoreland / Fayette; the Fayette County Association of Township Supervisors; and the Tri-County Boroughs Association.

Following the evaluation by RACF staff, funding recommendations will be presented to the County Commissioners for formal approval. Once formal approval has been obtained by the County, the RACF will prepare and submit the combined single application request to DCED.

For 2021, local applications are due to the Redevelopment Authority by **Friday, August 6, 2021 before 4:00 p.m.** Applications may be mailed to the following address: **Andrew P. French, Executive Director, Redevelopment Authority of the County of Fayette, Pennsylvania, 86 West Main Street, Uniontown, Pennsylvania 15401.**

**Note:** Applicants may also submit their applications via e-mail to: [racfpa@racfpa.org](mailto:racfpa@racfpa.org). All e-mailed applications must be in .pdf format and must have “**LSA 2021 Application**” in the subject line. Once received, a verification of receipt e-mail will be sent by the Redevelopment Authority.

Once awarded, RACF will execute a grant contract with the Commonwealth for the LSA Program and may execute sub-recipient agreements with those organizations selected to receive funding. RACF will ensure that all activities and sub-recipients meet conditions of the grant contract including requirements for advertising, competitive bidding, awarding contracts, project monitoring, requisitions, progress payments, project close-out, audit, etc. Project **funds will be provided to sub-recipients on a reimbursement basis** once all the necessary compliance documentation is received and all project funds must be fully expended within a three-year time frame. RACF will initiate a close-out audit of each LSA Grant received at the conclusion of the grant contract period with DCED. The LSA Program expenditures will also be included in the Authority's Financial Statements, which are audited annually by an independent certified public accountant at the conclusion of each fiscal year.

## **Eligible Applicants**

---

The entity requesting funds must be one of the following or be sponsored by one of the following:

1. County of Fayette
2. Municipalities in Fayette County
3. Fayette County Redevelopment Authorities
4. Fay Penn Economic Development Council
5. Fayette County Industrial Development Authority
6. A 501(c)(3) Non-Profit Organization

The governing body of a requesting entity and / or project sponsor must take official action to authorize the submission of any application.

## **Eligible Uses**

---

The following activities may be funded through the Fayette County LSA Program:

1. Economic Development Projects: Projects that promote local economic activity and create and/or retain jobs.
2. Community Improvement Projects: Projects that improve or create civic, cultural, or recreational activities or facilities.
3. Projects in the Public Interest: Projects that improve the quality of life in the affected communities.

## Evaluation Criteria

---

The competitiveness of proposed LSA projects will be reviewed by conducting an analysis based on the following criteria:

- economic impact,
- economic conditions of the community where the project is located,
- level of private sector investment leveraged,
- contribution of the project to the reuse of Brownfields, previously used, or underutilized sites,
- local financial support,
- project readiness,
- strategic importance,
- financial need, and
- projected timeline for project commencement and completion.

Emphasis will be on furthering economic development in the County, revitalization of downtowns and other underutilized areas, and redevelopment of blighted properties. Strong consideration will also be given to community improvement projects and public interest projects.

## Additional Criteria

---

1. Project requests that propose to utilize LSA funding as a match for other public or private funding will be given extra consideration during the selection process.
2. LSA funds should only be considered as gap financing for water and sewer projects. The LSA funds should not be the primary funding source, but rather should be used to bridge the financing gap.
3. The minimum grant amount per activity will be \$10,000.
4. LSA funds may not be used to reimburse entities for previously incurred project costs or to refinance or reduce existing debt. LSA projects may not commence prior to the execution of the LSA contract between the Commonwealth and RACF. Any project costs incurred prior to the execution of the LSA contract between the Commonwealth and RACF shall be ineligible. Any entity selected to receive funds under the LSA Program is strongly encouraged to contact RACF before proceeding with any portion of their project.
5. Applicants must comply with all applicable federal, state, and local laws and regulations, including those dealing with bidding and procurement and sub-recipients must provide all required compliance documentation to the Authority for review and approval prior to the processing of any reimbursement requests.

6. In the event that grant funds will be used for a public works project, the Prevailing Wage Act (PWA) may apply. The PWA requires that not less than the prevailing minimum wages be paid to all workmen employed on “public work” as defined in the PWA. Information on the PWA and the definition of “public work” may be found at [www.dli.state.pa.us/laborlaw](http://www.dli.state.pa.us/laborlaw) by clicking on the link to Prevailing Wage Act. The Act’s definition of "public work" has been applied to projects undertaken by private entities that are receiving government assistance. The PWA does not apply to the installation of equipment or machinery that is not a fixture, although any building construction/renovations to accommodate the equipment/machinery could be covered. The PWA also does not apply to work performed by the project-owner’s in-house employees, as opposed to work done by contractors or subcontractors. The full PWA can be found at 43 P.S. sections 165-1 through 165-17. Information on applying for prevailing wage rates in Pennsylvania can be found at [www.dli.state.pa.us/laborlaw](http://www.dli.state.pa.us/laborlaw).
